POS SYSTEM TOUCH SCREEN

SERIE MAZIC CL

The expansive 15.6-inch multi-touch display offers vivid and luminous content in panoramic view for an immersive viewing experience

THE POWERFUL AND VERSATILE SOLUTION

Introducing the new Mazic CL series, powered by 11th generation Intel® processor, ensuring industry-leading performance in speed and security. Its sleek design features two pivot points, that provide ergonomic flexibility for enhanced versatility in usage and installation, whether on the countertop, recessed, or wall-mounted with the VESA kit

The new NVMe technology delivers exceptional data read and write performance. The 15.6" high-resolution display boasts an ultra-thin frame for improved visibility and enhanced mobility. The scratch-resistant, reinforced glass is engineered to maximize touch precision and reliability. Simplified access to SSD and RAM streamlines fast maintenance and upgrade operations.

IDEAL FOR

Retail

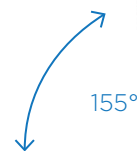

Horeca

GDO

Entertainment

PROCESSOR

Intel® Celeron® J6412 11a gen.

Intel® Core® i5 11a gen.

SUPPORTED OPERATING SYSTEMS

- Win 10 IoT Enterprise
- Win 10/11 Pro

AVAILABLE IN:

Matte Black

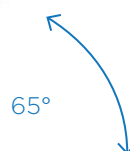

Matte White

MONITOR

Display 15,6"
1366x768

The two-hinge structure is designed to ensure maximum flexibility in installation.
