

How to Print Maltapost eSeller Labels on your Zebra Label Printer

How to Print eSeller Labels

This user manual will show you how to print Maltapost eSeller Labels on Zebra Label Printers using Shipping Labels (101.6mm x 152.4mm). The screenshots have been taken using Microsoft Edge. If you use Chrome the interface might appear slightly different, but you should still manage. If in doubt, use Edge.

You can buy Zebra Label Printers and Shipping Labels from <u>www.iLabMalta.com</u> or order by Phone on 21338782. The Zebra ZD220 Label printer is the ideal solution for small business owners, affordable and reliable. Free deliveries for orders above EUR 100.

Barcode 🕶	Track Item	Recipient Organization Name	Recipient Name and Surname	Recipient Town	Recipient Country	Price	Label
CH000643597MT	٩			Birkirkara	MALTA	€ 4.50	Small Standard

Step 1 – After you booked and paid your eSeller Delivery, click on the Standard Label

Step 2 – Click on the Print Button (If you are using Chrome or another Browser, it might look different than the above screenshot, but you still should have a Print Button)
